

Fun Friday Friends

Fun Friday is a mother's morning out program designed to help children become more comfortable with the preschool experience. It is also a great opportunity for mom or dad to take a break for a few hours. The program runs three Fridays a month, September thru May, 8:30 am – 12:30 pm. Activities each week are theme based and include songs, stories, games, free play and Craft time. A mid morning snack is provided and each child brings a sack lunch.
